POLICY Board of Trustees–Prince George's Community College **061018**

Chapter:	Students	Modification No.
Subject:	Hazing Reporting and Prevention Policy	

A. Policy

It is the policy of Prince George's Community College to promote a safe and healthy campus environment that protects and fosters respect for the dignity and rights of all College community members. As such, the College strongly condemns hazing in all forms, and must respond to and prevent instances of hazing, as well as conduct general and targeted hazing education outreach to students and employees. In addition, the College fully complies with all applicable state and federal laws related to hazing.

B. Delegation to the President

The President is authorized to make, promulgate, issue, rescind, and amend reasonable procedures to carry out this policy.
